

Half Day High Performance Racing Experience

B & W Autosport LLC is pleased to offer a half day high performance racing experience at Pittsburgh International Race Complex (formerly BeaveRun).

Located in Wampum, PA, P.I.R.C. is a 1.53 mile road course consisting of 10 turns which is host to the Pittsburgh Vintage Grand Prix, the Sports Car Club of America, the National Auto Sport Association, and many other high-performance road racing groups and events.

B & W Autosport will provide our 1976 BMW 2002 vintage race car for your driving experience. This car meets Vintage Racer Group safety standards, and has been modified to compete in sanctioned vintage racing events such as the Pittsburgh Vintage Grand Prix and Jefferson 500. We provide the fuel, safety gear, and cover the entry fees, you just show up and enjoy yourself.

You will be taking part in a high-performance driving experience program and will have an experienced driving instructor riding in the passenger seat teaching the racing line, driving techniques, and providing instruction in between on-track sessions. Total on-track time is approximately one hour; the event in total is three hours.

The winning bidder will choose one of the following dates and meet us at the track, B & W Autosport will take care of the rest.

June 15th
July 7th or 8th
August 3rd
August 31st
September 29th or 30th
October 27th

All dates are weather permitting and subject to track availability.
Performance driving dates are scheduled and coordinated by P.I.R.C.

B & W Autosport LLC asks that interested bidders be over 21 years of age.

The winning bidder will be required to sign a rental agreement for use of the car detailing the driver's financial obligations in the event of damage as a result of driver error, this includes engine failure.

Pittsburgh International Race Complex requires a waiver to be signed upon entering the track facilities.
